'Tis folly to be wives"

ANNUAL PUBLICATION OF THE
STUDENTS OF HOLLINS COLLEGE
VIRGINIA

CAROLINE GIBBS.....*Editor*
ANN ADAMS.....*Assistant Editor*
JO HAMBRICK.....*Business Manager*

"The Green and the Gold, we have loved it of old,
 And to it we will ever be true.
 For the memory will last of the days that are past,
 And linger, dear Hollins, with you.
 For life, when we're young, is a song that is sung,
 And must pass as a tale that is told . . . "

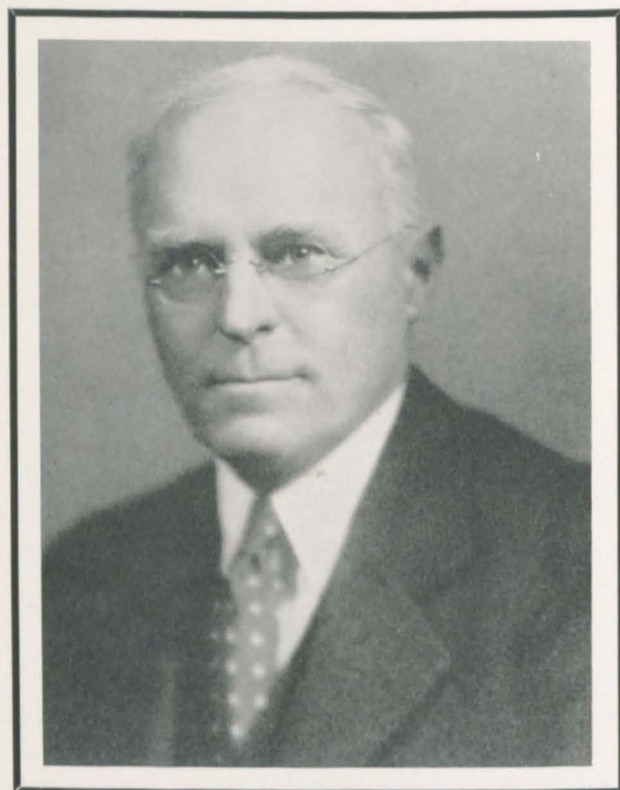

MRS. BEATRICE L. OAKLEY

Because of your interest in each of us, your
 quiet guidance, your friendship, and your under-
 standing throughout the years, we dedicate to
 you, Mrs. Oakley, the 1955 SPINSTER.

In Memoriam

MARION ESTES COCKE
1876—1954

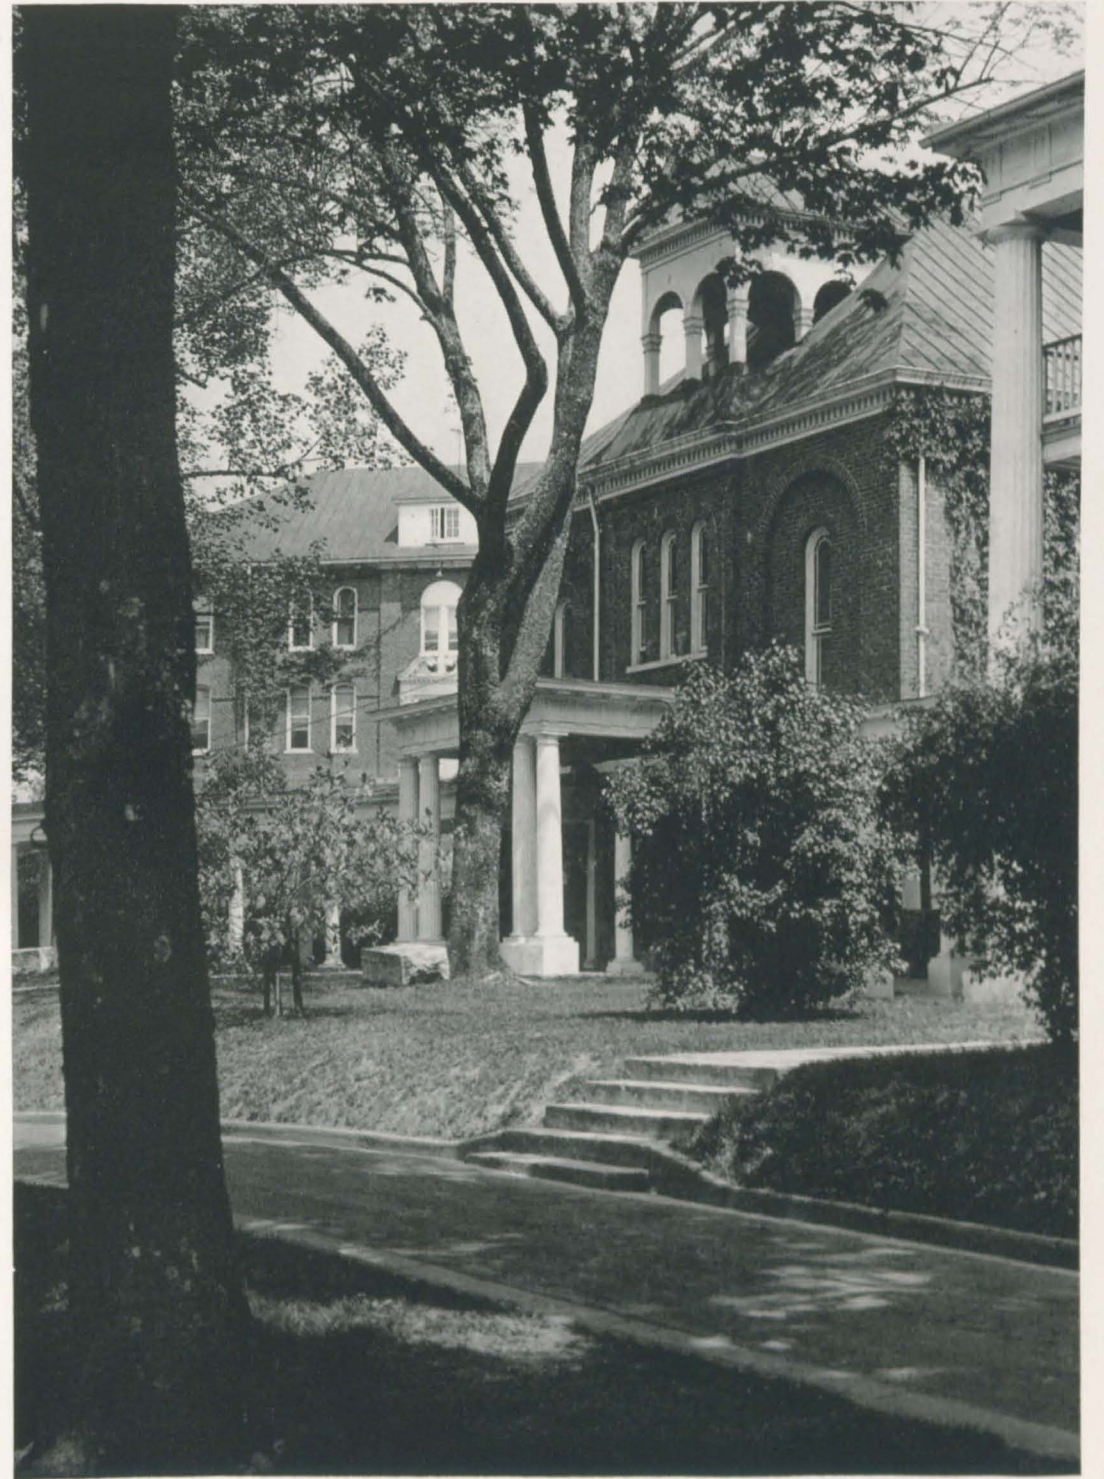

"Marion Estes Cocke, often affectionately called 'Mr. Estes', is now a part of our heritage. He represents that 'living past' now present with us . . . a 'living past' which in its turn will have creative impact upon the Hollins of the years to come."

MARGARET P. SCOTT

*"Though brief our path before us lies,
We know that Hollins makes us wise."*

As the religious organization on the campus, the Young Woman's Christian Association has as its aim to help each girl realize a full and creative life through a growing knowledge of God, and through unselfish service to others. The projects of the "Y" are varied. Running a lunch room and teaching crafts and music at a neighborhood negro school, and entertaining patients at Mercy House are a few of its activities.

Group Leaders

Each year Executive Council chooses a group of girls to carry out an orientation program for new students. These girls maintain the standards of Hollins life not only for the new members of the student body but for the old students as well. Prior to the opening of school each group leader corresponds with and welcomes the new students to Hollins. In a series of meetings, she interprets for them the regulations, traditions, and above all, the spirit of Hollins.

Freya

Freya is an organization which exists, not as an end in itself, not simply for the recognition, however great, but for the perpetuation of the principles of creative living which constitute the beautiful and the abiding qualities of Hollins life. Freya seeks to do this by recognizing as members those students who have shown by their own way of life a real understanding of the permanent, on-going values of Hollins. These girls have in some way, out of their love for the college and devotion to its values, contributed to its life in the fields of scholarship, leadership, and creativity.

Hollins Abroad

The Hollins Abroad students of 1955 sailed for Europe, February 5, on the French liner *Liberté* to become the pioneer group in the Hollins Abroad program. They have matriculated at the Sorbonne for the second semester of their sophomore year, will go on an extended tour of fourteen European countries this summer, and will then complete their year abroad by spending first semester of their Junior year also at the Sorbonne. During the school semesters, each girl is living with a French family in Paris.

Riding is a popular sport at Hollins, the average number of riders being fifty. The instructors, Count and Countess Gyurky, escaped from Communist held Hungary with some of their well-trained horses which the riders are fortunate enough to use. Besides these experienced teachers, each year Captain Vladimir Littauer, world famous instructor, author, and member of the U. S. Olympic team, conducts a three-day riding clinic, which consists of instruction in the ring, lectures, and movies.

The Riding Club is a small group of girls who show outstanding interest and ability in riding and are selected by their knowledge of horses and skill on horseback. The purpose of the club is to create interest among all of the riders, and to emphasize equitation, manners, and performance of the horse. It also presents a large show in the Spring, with classes for the beginners, intermediates and advanced in equitation and jumping, a cross-country course, and a drill.

Riding Club

BARBARA KEEFER.....*President*
LINDA DONNALLY.....*Vice-President*
GINNY BICKEL.....*Secretary-Treasurer*

Riding is a popular sport at Hollins, the average number of riders being fifty. The instructors, Count and Countess Gyurky, escaped from Communist held Hungary with some of their well-trained horses which the riders are fortunate enough to use. Besides these experienced teachers, each year Captain Vladimir Littauer, world famous instructor, author, and member of the U. S. Olympic team, conducts a three-day riding clinic, which consists of instruction in the ring, lectures, and movies.

The Riding Club is a small group of girls who show outstanding interest and ability in riding and are selected by their knowledge of horses and skill on horseback. The purpose of the club is to create interest among all of the riders, and to emphasize equitation, manners, and performance of the horse. It also presents a large show in the Spring, with classes for the beginners, intermediates and advanced in equitation and jumping, a cross-country course, and a drill.
